Special Seminars Continue

Last month our pastors had the first of our special seminars on topics to assist and equip pastors in church development. Our February topic was church revitalization and renewal. Don't miss the next one.

Tuesday, March 10 "Special Events Outreach"

Dr. Daniel Dickard will present ideas and plans you might find helpful in doing special events well and with success. An example of some topics explored include Business Men's Luncheon. Daniel led his church to do this with scores of business men coming to Christ. Easter Egg Drop, Summer Sun (ideas for reaching teens and children during the summer months.) The Christmas Store - targeted families are invited to the Christmas Store to receive gifts and the Gospel. We will conclude with our monthly Pastors' Fellowship at Silver Bay Restaurant.

Some valuable information, ideas, and resources will be given. Pastors are encouraged to bring outreach teams or youth pastors. I look forward to seeing you on Tuesday, March 10th, 10:00am at the Mission Center.

Last Training

Saturday, March 21st is our final training for the outreach units. If your church plans to use the units in 2020, please make sure at least one person has attended training. The training will be at 10am at the PBA office. This will serve as an annual safety briefing and we will also go over some house-keeping issues concerning the trailers.

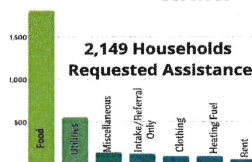

Blessings,
Chris
