JUNE!

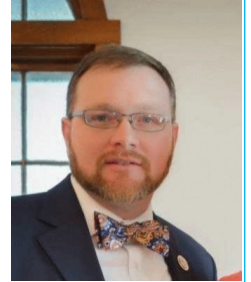

The beginning of summer. The half-way point of the year. JUNE- the month of vacation for many. The month of weddings for many young couples. I hope you are working on Vacation Bible School this year. Pray that God will use it to bring many people to Christ. Don't neglect to follow up with those who come. In your VBS planning, plan and strategize on how you will disciple those who respond.

Pray for the Southern Baptist Convention meeting this year in New Orleans. It could be a watershed time for Southern Baptist.

June 1st is the first day of hurricane season. For those of us in the upstate that doesn't mean a whole lot. Except, that our Disaster Relief teams need to be ready. Our associational office has the first Disaster Relief laundry unit ever built in South Carolina. Some of you reading this were instrumental in building the unit, and many of you have served over the years on the unit either in a disaster setting of through the World Series and Fair ministries. Thank you for serving the Lord through these ministries!

At present, our Laundry Unit trailer needs repair as the roof is rotten in some places. In discussing and praying through the possibilities of continued service, our desire is to replace our 35-year-old trailer with a newer trailer and rebuild the unit to serve many more years. We have some Disaster Relief funds available, but only a small portion of what we will need to rebuild the unit. The total cost of rebuilding the unit is probably in the neighborhood of 20K so we will need to raise about 15K to make this a reality. Would you pray about helping us out by giving above and beyond your normal sacrificial gifts and make a special gift toward a makeover of our Disaster Relief Unit.

If you have any questions, please feel free to give me a call or stop by the office and thank you for your support as we serve the Lord.

Chris
